Description

We provide general animation services across the entire Pays Jura Monts Rivières area. Our aim is to improve tourism in our region by promoting the Jura through a variety of actions whilst offering high-quality hospitality and information services.

To do so, we create and provide a set of brochures and practical documents such as accommodation guides, practical winter/spring and summer/autumn guides, tourist maps, the Champagnole city map or fishing and hiking brochures, etc. We also plan personalized trips on request.

Lastly, in addition to our missions in direct relation with touristic development, we also manage ticketing for various shows, for the Scènes du Jura, and the sale of ski packages and youth cards, etc.
