Useful information

Category : Services

Type : Maison de la Réserve

Description

The Maison de la Réserve is a museographical site designed to accommodate all audiences. Within its 6 exhibition halls, it presents:

- The fauna and flora of the Natural Reserve and of the High Doubs in a “natural” decor and atmosphere,
- The Natural Reserve, its environments and the prestigious species that it is home to,
- “Destination 1802, mission grands prédateurs” (“Destination 1802, large predators mission”): an interactive and fun exhibition for young audiences,
- « Bzzzz... Les abeilles sauvages » (“Bzzzz... Wild bees”) to learn all there is to know about these precious pollinators,
- A projection room with a selection of over 20 films,

The Maison de la Réserve is also:

- guided group visits (on reservation),
- A nature shop with nature guides, IGN maps, beautiful books, DVDs, souvenirs, educational tools, drinks, etc.
- topical discovery outings,
- events (spring festival, mushroom fair, etc.)
- nature evenings.
