# Description

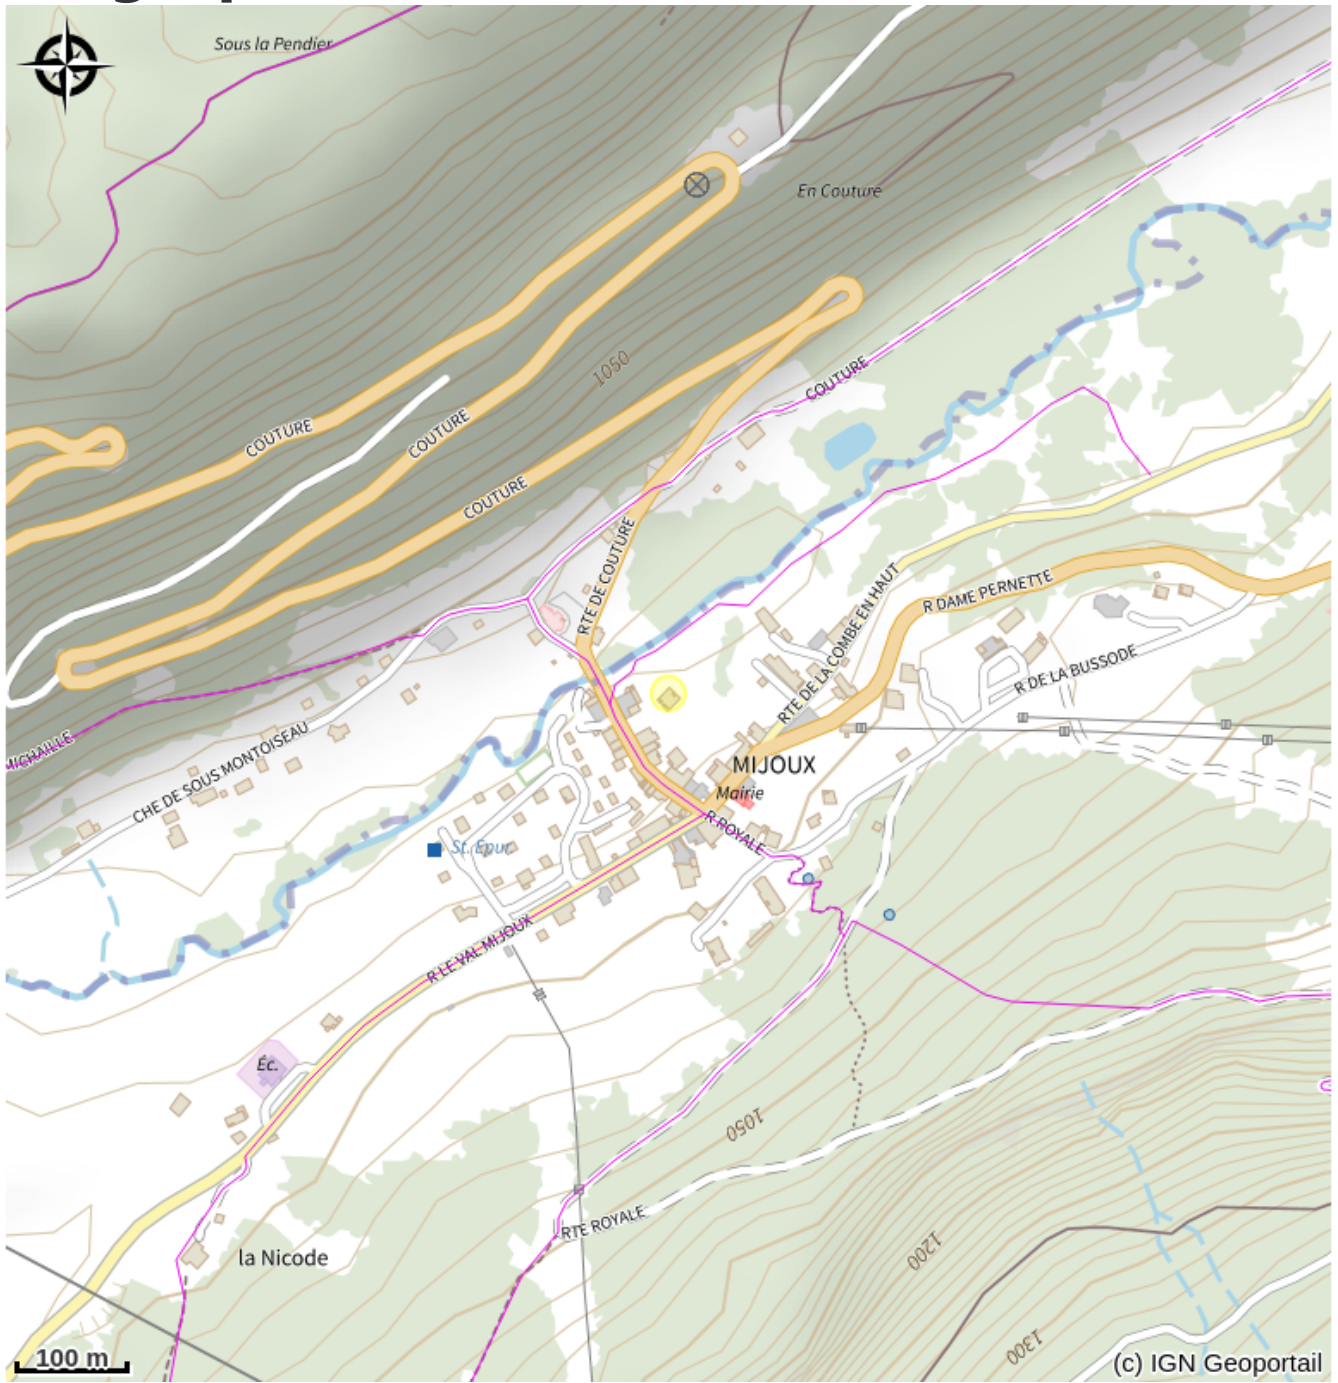

Take a trip to the heart of a Jura village located within the Monts Jura station!

Les Berlicants (meaning “clogs” in the regional Jura dialect) provide pleasant apartments close to all commodities but in a calm and relaxing area. You could leave your car and make the most of your holidays!

Chantal, the owner, is native to this region and knows it well - she will be able to advise you on the activities that you can do in the area.

In the winter, the Monts Jura ski domain is open, including: alpine skiing, cross-country skiing, sledding and snowshoeing. In the summer, you can enjoy the magnificent Jura landscapes during outings on horseback, on foot, on bike or MTB, aquatic activities in the surrounding lakes, golf, fishing, climbing or cultural visits.
